

Cookies Policy

This website uses cookies to improve your experience while browsing it.

Cookies that are deemed essential for the functioning of key aspects of this website will be stored on your computer. We also use third-party cookies, to help us in reviewing and understanding how you use this website. Cookies will be stored on your computer only with your consent. You also have the option of disabling cookies, in which case the browsing experience may be affected.

What is a cookie?

Cookies are small files that are placed on the computers of visitors of our online platforms to identify the computers. These files do not contain any personal data and are used exclusively for security reasons and for statistical purposes. However, if you choose not to enable cookies, you may not be able to access certain functions of the website and to receive customised information.

What types of cookies do we use?

*Technical cookies: session, identification, configuration and registration cookies, strictly necessary to identify and provide the requested services. All the data collected through cookies is processed by **COFIIM**.*

Analytical cookies: cookies that are handled by us or by third parties (e.g., Google Analytics) and that allows us, graphically, to quantify the number of users and to carry out statistical analysis of accesses to our website, allowing us to improve and optimize its content.

How to disable cookies?

Most browsers have information on how to enable or disable the use of cookies. You can control the use of cookies in the settings of your browser.

How to manage cookies on different browsers?

[Chrome](#) - [Firefox](#) - [Explorer](#) - [Safari](#)
